AMENDMENT A

COMMISSIONER FOR PATENTS

Sir:

In reply to the non-final office action mailed June 23, 2005, please consider the following.

Amendments to the drawings are made here via 11 replacement sheets and explained in the Remarks section of this paper.

Applicant requests that the original specification, including the abstract be replaced with the attached substitute specification provided as an attachment to this paper and marked in accord with 37 CFR 1.125. Also attached is an accompanying clean version of the substitute specification that incorporates the changes made. No new matter has been added.

A claims listing begins on page 2 of this paper.

Remarks/Arguments begin on the page following the claim listing.
